Leaders At All Levels: Deepening Your Talent Pool to Solve the Succession Crisis (Your Coach in a Box) Ram Charan

A serious crisis looms in American management today. More and more CEOs are failing; there remains an acute shortage of capable replacements. The true dilemma in leadership is the stagnant state of corporate leadership development. Because companies fail to hone their unit manager's leadership abilities, they are unable to fill their succession pipelines. With unit managers stagnating, companies have difficulty executing at every level, compounding the crisis.

In this audiobook, bestselling author Ram Charan shows how top companies approach leadership development as a core competency, recognizing that an adaptable leadership pool is a competitive advantage, and focusing their attention on bringing out the best in the leaders they have.

Charan reveals exactly what's wrong with corporate leadership development and tells listeners how to make it right. He explains the concept of a leadership "gene pool" and shows how companies can discover just what "DNA" they need to succeed. He also details how to uncover the hidden leaders in a company, when and where to bring in fresh talent, how to coach, measure, reward leadership, and much more. This is a perfect guide for CEOs, directors, and anyone involved in leadership development.
