Manhattan, when I Was Young

Mary Cantwell

Manhattan, when I Was Young Mary Cantwell

With *Manhattan, When I Was Young*, Mary Gantwell, a former writer and editor at *Mademoiselle* and *Vogue* and now a writer at the *New York Times*, gives us an elegant and lyrical autobiographical account of a time and place that for some exists only in imagination. But this is a life as it was actually lived, with romance, passion, and no little share of pain. Set in five different apartments in Manhattan, each one with its own character and charm, Cantwell's story winds through its phases, from single working girl to young wife and mother, from career choices and divorce to rediscovery. The world Cantwell inhabits - that of magazine and book publishing and fashion and the middle-class bohemia of downtown New York at a golden moment in time - is brought beautifully to life in a memoir that is sure to bring her new readers and renewed acclaim.
