Sometimes we choose love, but sometimes, fate chooses for us.

Alyssa has started a new job, and from day one she's been haunted by dreams of a man she's never met, but can't seem to forget. Then Alyssa meets her boss and her world comes to a grinding halt. It's him. But as impossible as that is, things are about to get even stranger.

Mark is a man with secrets. Plagued by guilt and regret, he has spent countless years simply existing. They say you don't know what you have until it's gone, and no one knows that better than him. He's lost a piece of himself he thought he could never get back. Until the day he met Alyssa for the first time...again.

When unexplainable events occur, the two learn that some actions have consequences so severe that even a powerful love may not overcome.
