"The Great Clans were born to their station. The Mantis seized it through strength and determination. None shall stand against us." - Yoritomo Kumiko, Daughter of Storms. Secrets of the Mantis is an incredible sourcebook containing a treasure trove of information specific to Mantis Clan campaigns. Provinces, customs, history, and important individuals are explored with depth not available in past books. This book not only serves as a player's guide to being a Mantis but equally as a GM's guide for creating adventures set in Mantis territories. Includes a special Secrets chapter containing unrivaled mysteries of the Mantis. This book also updates the story through the current expansion of the CCG arc. Compatible with the traditional Alderac game system and the popular d20 system. New options for campaigns and character creation mean that product will appeal to both players and GMs. Setting information is adaptable to other settings with little difficulty which appeals to non-L5R d20 fans. Contains new fiction and great background information featuring L5R characters. Strong inherent continuity with the L5R CCG
