Trout: The Complete Guide to Catching Trout with Flies, Artificial Lures and Live Bait (The Freshwater Angler) Dick Sternberg

To consistently catch trout in any body of water, you have to be versatile. On some days trout rise quickly to take dry flies. But on other days they respond better to nymphs, spawn bags or small spinners. This book explains how to choose the right presentation for any situation you encounter on your favorite stream.

Hall of Fame angler Tony Dean says, "This book provided me the knowledge I needed to catch more trout in streams and it will help you do the same."
