**Analyzing Interest Groups: Group Influence on People and Policies (New Institutionalism in American Politics)** Scott H. Ainsworth

*Analyzing Interest Groups* explores the various contexts in which interest groups operate (from each branch of government to electoral and grassroots politics) and offers a wide range of examples (from the experiences of early farm groups, to the modern experiences of groups like the NAACP, Greenpeace, and the NRA), providing knowledge necessary to analyze these groups.

Ainsworth utilizes formal theoretic analysis in accord with his own consistent and coherent analysis of interest groups and their activities to create a refreshing and interest text.
