Seraffyn's Mediterranean Adventure, 30th Anniversary Edition Lin and Larry Pardey

Lin and Larry Pardey's first book, *Cruising in Seraffyn* is credited with launching 50,000 dreams. This third book in the Seraffyn series chronicles the three years spent exploring Ulysses wine-colored sea and clearly illustrates how they kept that dream afloat. Lin and Larry meander under sail, eastward from the rocky monolith of Gibraltar to the imposing stone ramparts of Malta. Along the way they share stories of the kaleidoscope of people who filled their days, from the naval officers who joined them for day races to the officials who helped turn them into smugglers (not drugs but a boat full of yeast, flour and vegetables and eventually twenty dollars worth of noodles!) But it is not just the shore side stories that will keep you intrigued, just as compelling are the clear concise descriptions of the days and nights they spent at sea. Lin's warm hearted story telling will draw you into her cruising life and show you the secrets that kept this well known couple wandering the watery reaches of the world for more than 40 years. Lin and Larry paid for their apparent freedom by working along the way delivering and repairing yachts, writing for magazines around the world. Seraffyn's Mediterranean Adventure, originally published in 1981, will inspire and entertain readers and show why the Pardey's motto *Go Small, Go Simple, Go Now* may be more relevant today than it was 30 years ago.
