United States Expansionism and British North America, 1775-1871

Reginald C. Stuart

United States Expansionism and British North America, 1775-1871 Reginald C. Stuart

This sweeping study surveys nearly a century of diverse American views on the relationship between the United States and the Canadian provinces, filling out a neglected chapter in the history of aggressive U.S. expansionism. Until the mid-nineteenth century, many believed that Canada would ultimately join the United States. Stuart provides an insightful view of the borderland, the Canadian-American frontier where the demographics, commerce, and culture of the two countries blend.

Originally published in 1988.
