The course workbook is intended as a study aid for students using the Building Construction Related to the Fire Service manual (3rd edition) as part of a class. The use of this course workbook will help improve student performances. Instructors may choose to integrate these course workbook activities into their classes or use them as homework assignments or pre-course work. Different types of questions and activities are used to reinforce different learning styles. References to page numbers are included in the workbook so students can use the product as a self-study tool by referring to the manual for correct answers. The answer key, however, is included with the instructor's curriculum materials where students cannot obtain access.
