The My Brother's Keeper Trilogy The town of Gilford has a Big and Terrible secret hidden in the ground. Infecting those it touches. Exploiting their darkness. Consuming their souls. It's hungry. It's vile. It's evil. And it wants out. Book Two: Rule Four and Five A new chance at life comes in many forms: For Jon it's a family made with Ellis and his brother Rudy. For Ellis, it's Jon, who has brought the outside world into the protective life he's built for his mentally disabled brother. Together they have discovered true happiness and what it means to be loved. Then one perfect disaster after the other pushes Jon's resolve to its limit and Ellis over the edge. If they have any chance of saving what they've built both men must face their deepest fears. It's a test Jon thought he'd already passed and one Ellis never imagined he'd have to face. The journey will forever change who they are and redefine who they were meant to be. It has to happen. And all things happen for a reason.
