The Life and Loves of a He Devil: A Memoir Graham Norton

Revealing, moving, and hilarious, Graham Norton tells the story of his life through the things he loves in a brand new memoir

Graham Norton has been entertaining audiences and having fun with some of the world's biggest stars for nearly 20 years. He is loved for his delight in the peculiar and for his ability to find humor and a common ground in all that life brings. Here is Graham's funny and honest memoir on the theme of love. As he shows, it's really the things you love that make you who you are and so Graham tells his story from his Irish childhood to the present day, describing just what and who he loved—and sometimes lost—as a young boy, and his new loves and obsessions—big and small—as he's grown older. It's been 10 years since his last book and being a decade older Graham has come to realize that what makes a life interesting is less what happens to you and more what inspires and drives you, what you love. From Dolly Parton and dogs to wine and Ireland, Graham tells of his life and loves with characteristic humor and outrageous candor.
