The Trembling of a Leaf: Little Stories of the South Sea Islands William Somerset Maugham

William S. Maugham spent a few months traveling in the South Pacific during the World War I. Some of the best stories he wrote are found in this book - which occur in Samoa, Tahiti and Hawaii - and they show the colonial life and the European experience with the local culture, with a strong Eurocentric viewpoint. "Rain" is the most famous of the stories in the book, which was first published in 1921.
