This book is a compilation of papers presented at the International Transformation Conference in Stockholm, Sweden on June 2–3, 2009. The conference was hosted by the Swedish Defence Research Agency at their Division of Information Systems in Kista. The papers are organized according to the categories of culture, interagency, transformation initiatives, leadership, and adaptive organizations. This sequence was chosen to group papers with common themes so that readers could follow the logic and findings of each paper more easily.
