## **Metric Pattern Cutting for Menswear Including Unisex Clothes and Computer Aided Design: Third Edition** Winifred Aldrich

This new edition of the standard work has been completely reorganised to differentiate between classic body cutting and working from flat block shapes. Sizing charts have been updated and the chapter on computer-aided design has been totally rewritten and extended to reflect the changes that have happened since 1990 and to give students a knowledge of how a garment is processed in sequence through CAD technology. An extra section inates the sportswear and
