Reel Vision: Unlocking Metaphysical Meaning in Movies, Volume 1

Robert Capozzi

Reel Vision: Unlocking Metaphysical Meaning in Movies, Volume 1 Robert Capozzi

Reel Vision is a first-of-its-kind cinematic guide that provides an in-depth exploration of the deeper metaphysical meanings and spiritual themes contained in *The Matrix*, *Dark City*, *Inception*, *Revolver*, and *Vanilla Sky*. Since movies are non-stop and fast-paced, this book breaks down -- scene-by-scene and step-by-step -- the hidden messages that movie-watchers can easily miss. Films like these have the potential to provide powerful spiritual insight. As we suspend our judgment and allow a film to temporarily become our "reality," pathways into new perspectives are unlocked. Since films involve words, concepts, and human interactions, they offer us life-like images that allow us to conduct playful thought experiments where profound insights can be gained and enhanced in delightfully unparalleled ways.
