Theta Waves Box Set: The Complete Trilogy (Books 1-3): new adult urban fantasy (Theta Waves Trilogy) Thea Atkinson

All three novels in one bundle for a whopping 50% off. That's over 500 pages of a dark, gritty, sometimes steamy ride.

In post-apocalyptic, New Earth, all religious freedom is banned by *the beast*. And there's only one unwilling hero with the power to save the planet.

Theda is a homeless drug addict struggling to survive and conceal her psychic abilities. Her extrasensory talent offers people a glimpse of their past lives and reminds them of their former spiritual beliefs. She really just wants to sustain her out-of-control addiction as a means of escape from the horrors of New Earth, until she's branded a heretic and arrested. Then her life takes a dangerous turn.

Ezekiel is a handsome bounty hunter aka one of the four Horsemen of the Apocalypse tasked with bringing Theda to justice. But after she gives Ezekiel a vision of his own past, one that has a cryptic romantic connection to Theda, he recklessly decides to help her escape the beast's evil clutches.

From very different worlds, these two unlikely allies must hide from the beast's henchmen and find a way to protect humanity . . . before there's nothing left to save.

Take a rollicking and somewhat sacrilegious ride through the post apocalypse in dystopian New Earth. This dark and dirty, steamy-in-places tale should please new adult dystopian romance readers as well as those who love end of the world romance, urban fantasy with a female lead; science fiction fantasy fans might also enjoy the series. There's fallen angels, psychics, devils, immortal men, and just plain humans with a penchant for evil. Readers either love or hate the series. Which side will you be on?
