When We Hope: A Coming of Age Romance

Life's about to change for Stephy, but she doesn't know it yet. Always feeling like she's got her head halfway underwater, every time she comes up for a breath, there's another obstacle pushing her down. This time, her fears are introduced in the form of a man - a man with a badge. Felix has more than just a law to enforce. Not only will he be the person who ensures that Stephy packs her bags and informs her son Jack, that it's time to find a new home, but he might just be the person to save her.

Will Stephy allow herself to diminish under the pressure of a cold and baneful world? Will Felix be there to breathe air into the parts of her life that are slipping away?

When We Hope will tug at your heart strings, poke at your tear ducts and have you flipping pages nonstop. A romance about a broken life, a girl just trying to survive and a strong but broken hero, this **contemporary romance**, is one where hope can vanish within the blink of an eye.

When we Hope: A coming of Age Romance is a standalone novel.
