Reaching the parallax of wealth creation is like reaching the top of a hard mountain. However with innovative methods and a shift in mindset, the once hard trek to the top becomes a fair trip with paved roads, an overnight lodge, and some barbecue. Equipping ourselves with the right techniques in wealth building will make tall orders turn into silly hurdles.

However, people mistake that creating wealth is a trivial matter. People wrongly assume that a few wise investments and a lot of hard work will make them happy campers. However, after retirement, they find themselves wanting to go back to their working year once again. People thereby tend to underestimate the journey of building wealth.

This is not a book of good ideas. This is a book of timeless strategies used by successful men and women throughout history. I have studied these success strategies for years and have applied them to my own life. The phenomenal level of success that I now enjoy the result of applying these strategies in and day out since I began to learn.

These principles and techniques have not only worked for me but they have also helped hundreds of thousands of my people achieve breakthrough success in their careers, greater wealth in their finances, greater aliveness and joy in their relationships, and greater happiness and fulfilment in their lives.

In this book you will learn:

- Creating Wealth - A PROCESS RATHER THAN A GOAL
