God Loves Haiti: A Novel Dimitry Elias Léger

A native of Haiti, Dimitry Elias Léger makes his remarkable debut with this story of romance, politics, and religion that traces the fates of three lovers in Port-au-Prince, Haiti, and the challenges they face readjusting to life after an earthquake devastates their city.

Reflecting the chaos of disaster and its aftermath, *God Loves Haiti* switches between time periods and locations, yet always moves closer to solving the driving mystery at its center: Will the artist Natasha Robert reunite with her one true love, the injured Alain Destiné, and live happily ever after? Warm and constantly surprising, told in the incandescent style of José Saramago and Roberto Bolaño, and reminiscent of Gabriel García Márquez's hauntingly beautiful *Love in The Time of Cholera*, *God Loves Haiti* is an homage to a lost time and city, and the people who embody it.
