One of the biggest cookbook values in many years, THE BROWN DERBY COOKBOOK contains more than 650 choice recipes used by the famous Brown Derby Restaurants. Each of these fine recipes were tested and edited by Marjorie Child Husted, the noted home economics expert and consultant in advertising, public services and home service of General Mills, who headed their Betty Crocker Staff for many years. It is truly a practical book -- designed to be used. Here you will find selected recipes -- for most of which the ingredients are readily available, in quantities for home meals and parties. In addition, the book contains the history of The Brown Derbys, a glossary of terms used, specialties of the house, a section on how to read a menu and a complete index. Throughout the book are the famous names everyone associates with these famous restaurants and the technical information is laced with warm, human touches, witty anecdotes and telling photographs. These recipes are truly the creme de la creme, for they have been winnowed from the many thousands accumulated by the staff of the various Brown Derby Restauarnats. This 60th Anniversary Edition now should add variety and spice to the menus of homes all over the world..
