For 24 years running, the *Christian Writers' Market Guide* has remained *the* most comprehensive, complete, essential, and highly-recommended resource for Christian writers, agents, editors, publishers, publicists, and those teaching writing classes. And it's *the* tool for both for beginners and industry veterans.

This perennial guide contains a variety of indexes—listed by topic, alphabetical listing of publishing houses and agents, and more—to more than 1,200 markets. Those markets include greeting cards and specialty writing, e-book and traditional book publishing (32 new listings), and periodicals (52 new). Also listed are 96 literary agents, more than 100 new writing resource listings, and 166 contests (29 new).

As with the guide for the last couple years, a CD-Rom is included and contains the text of the book for simple, electronic searches. But the *2009 Guide* is handier—a more reader-friendly page count with 100 pages or so of traditional content (like indexes and contest listings) now exclusively on the CD-Rom.

Readers will get the same trusted content, though, as in years past. In fact, the latest information on more than 100 editors and publishers, conferences, writers' groups, and more are not only listed and indexed in the book, but this year, readers will get a code in the book and on the CD-Rom for accessing more updates through the year on author Sally Stuart's web site, [www.stuartmarket.com](http://www.stuartmarket.com).
