Money doesn't matter when what you want is revenge.

Self-made millionaire and family black sheep Tucker McCormack has one goal—payback. He's planning a hostile takeover of the McCormack empire, but his latest roadblock is too beautiful to resist...*and* she's his brother's ex.

Headstrong antiquities expert Belladonna Dupre has put every asset she has on the line to recover her family's fortunes from a shipwreck in the Gulf of Mexico, but she needs a dive salvage operator to make it happen. Enter Tucker McCormack. He's smart, good with his hands, and sexy as hell in a dive suit, but he demands joint credit for the discovery as a condition to work with her.

Bella won't be bullied into giving up what's rightly hers. Tuck won't take no for an answer. It's a battle on the high seas, where sparks fly, attraction smolders, and *anything* can happen.
