“Life is relationships; the rest is just details.” We are designed for relationships, yet they often bring us pain. In this paradigm-shifting book, Gary Smalley unravels the DNA of relationships: we are made for three great relationships?with God, others, and ourselves?and all relationships involve choice. Gary exposes a destructive relationship dance that characterizes nearly every relationship conflict, and he offers five new dance steps that will revolutionize relationships. *The DNA of Relationships*, the cornerstone book in Gary Smalley's relationship campaign, will revolutionize your marriage, family, friendships, and work relationships.
