Surviving the journey is just the beginning.

The last two months have brought nothing but death and destruction for Emma Rossi. She survived the initial zombie outbreak with her husband, Jake, and their dog, Daphne, but the cost was steep: Sanibel has fallen.

In a world where the only constant is change, the group is pushed to their limits before reaching the gates of Asylum, a coastal stronghold in Sarasota, Florida.

Once again, Emma must navigate an apocalyptic wasteland filled with relentless hordes of the undead and other menacing horrors that threaten her survival. Only one thing is certain. No one is safe from what lurks on either side of Asylum's gates. Asylum may offer more than just safety.

Sanity will be tested; and many won't live to tell the tale.
