Mythical and Spiritual Tattoo Design Directory: The Essential Reference for Body Art Russ Thorne

This book provides the ultimate reference guide for artists and wearers alike. It covers the most popular types of mythical and spiritual tattoo designs with unique illustrations from some of the leading artists working today. Accompanying each type of design is a detailed explanation of the history and symbolism attached to it, so that anyone researching a tattoo will be sure to find one that perfectly expresses their beliefs. This book will also appeal to anyone with an interest in tattoos and tattoo art, traditional tattoo forms and techniques, or even religious symbolism and iconography. The canvas of the human body provides almost infinite scope for mythical and spiritual tattoos, and this book acts as a lively, informed companion for every spiritual quest. If you wish to express your faith—whatever it may be—to the world, there is an immense library of tattoo symbolism to choose from. The tattoo will be with the bearer for life, so it is important to consider the meaning and design of any tattoo carefully. With more than 800 images, no body artist should be without this uniquely comprehensive volume. The flash drawings and explanation of the symbolism of all tattoos featured in this book will inform and inspire.
