In this fresh and funny contemporary romance by bestselling author Jill Mansell, Poppy Dunbar's whole life gets turned upside down after a chance encounter with a handsome stranger...

Never a troublemaker, Poppy had always been content with the way things were supposed to be done—which included marrying predictable Rob McBride. But that was before she met Tom Kennedy the night before her wedding. Could she really be falling in love with a stranger?

Unable to forget Tom, or go through with the wedding, Poppy runs off to London. Her new life and colorful friends are anything but predictable. Misunderstandings, family secrets, and jealous quarrels ensue, but can Poppy stop running long enough to figure out what—or, rather, who—is in her heart?
