Reading French: A Guide for Students of Religion and Theology, Second Edition K. Janet Ritch

Current textbooks which introduce students to a reading knowledge of French are usually designed for the Arts and Sciences. This textbook is designed to fill the gap for persons of religious persuasion. The exercises introduce vocabulary from Christian liturgy, various translations of the Bible and French religious history and theology. For research purposes, a comprehensive summary of French grammar and principles of translation are provided for accurate translation from French into English. The second edition is complete with answer key in an appendix.
