Times Tables The Fun Way Book and Times Alive Software Kit #1001 Judy Liautaud

This kit includes the popular Times Tables the Fun Way Book for Kids which teaches the multiplication facts with cartoons and stories. The book covers the 0's through 9's. To teach 6x6, the story tells of the twin sixes crossing the desert to visit cousins. They get low on water and come to an oasis with a sign that says the water is for thirsty-sixes. (36). This proven, effective, and researched method teaches the student to associate each number fact with a character and a story so retrieval of the answer is easy. Included in this kit is the Times Alive Software which is based on the stories in the Times Book. Each story is animated and includes a music video and interactive lessons. When used as directed, most students, at the end of 18 lessons, will know all the 0's through 9's times tables and be able to recall them for years to come. The Times Alive software program Includes matching games and coloring pages to reinforce what has been taught, along with progress checks and printable reports. The associated songs and music videos will have students singing along, dancing, and tapping their feet to these joyous tunes. Times Alive Software keeps track of student progress and works with a Mac or PC, all versions. Average post - test scores show 95%. This visual method of learning is especially effective for children with learning disabilities. Buying Times Tables the Fun Way and Times Alive in Kit 1001 saves you \$10.00.It's great to have the book to review at bed-time or in the car or on vacation. The software allows students to learn independently and monitors progress with a fun, interactive, simple-to-use, platform.
