As part of an undercover shifter unit in an elite sector of Seattle's police department, Gavin has spent his life serving his city. No one is above the law, and he does whatever it takes to protect the innocent.

Tasha never thought she'd escape the horror of being captured by Purest Inc, but after being rescued she's now under the protection of a bear shifter. Only, it feels more like she's lost her freedom again.

Gavin's assignment is to keep the tiger shifter safe until she is called to testify against the organization who kidnapped her. But his strength is tested. His bear is challenged. And his heart is vulnerable as he and Tasha wait out the trial together.

Gavin struggles to keep Tasha safe, while fighting against feelings that are too hard to resist. This is a STANDALONE shifter romance with a HEA and NO Cliffhanger.
