In English and French. "Cake for Breakfast Every Day - English/Spanish edition" is an easy read-to-me book for youngsters. It's good for dual-language families or for those learning Spanish. Follow the adventures of one child whose imagination will get you giggling as she imagines all the fun things she would do if she lived in a house with no rules. Then ask yourself what would you do in a house with no rules. Would you put a trampoline in every bedroom? You might even eat cake for breakfast every day. Share it with someone you love.

Parents can take the story off the pages and make it interactive by encouraging their children to use their own imaginations as they follow along. What would your child do if there were no rules in their house? Would a thunderstorm be scary? Can they find the mouse hidden in three of the illustrations? What pets would they have? Parents can play along too, sharing all the things they would do without rules. Educators can also use the story in a classroom setting. After reading the story, students can come up with their own "no-rules" scenario and put it down on paper, either as art or in a paragraph.

Gâteau pour le Petit Déjeuner Chaque Jour est une histoire imaginative, avec des illustrations colorées, dans un format facile à lire. C'est conçu pour les parents, les grands-parents ou pour les soignants avec un enfant qu'ils aiment, et pour encourager cette expérience spéciale de lire ensemble. Bien sûr, les enfants voudront le lire tout seul aussi.

Plus qu'un simple livre, Gâteau à chaque petit déjeuner est un bien-être amusant pour toute la famille. Les parents peuvent raconter l'histoire sans le livre et le rendre interactif en encourageant leurs enfants à utiliser leur imagination. Que ferais votre enfant s'il n'y avait pas de règle à la maison ? Serait-il effrayé par un orage ? Peuvent-ils trouver la souris cachée dans trois des illustrations ? Quel animal de compagnie auraient-ils ? Les parents peuvent jouer aussi, partager toutes les choses qu'ils feraient sans les règles. Les éducateurs peuvent aussi utiliser l'histoire dans une salle de classe. Après avoir lu l'histoire, les écoliers peuvent faire leur propre scénario « sans règles » et l'écrire, soit comme l'art ou dans un paragraphe.

Cette édition spéciale en deux langues est géniale pour des familles bilingues ou pour les étudiants qui apprennent Français.
