Dynamical Boards: BE The Difference Dr Kristine Quade

A Board of Directors is responsible for guiding an organization away from the cliffs of disaster and toward strong sustainability. Dynamical Boards: BE the Difference is a radical new approach to providing clarity for board members who are floundering and frustrated with lack of leadership from the most strategic levels. Ineffective visioning and decision-making are driven by individual differences at all levels including personal agenda's, different decision-making approaches, leadership styles and ego's. This book offers a way to cut through complex issues, see and influence the patterns and create a truly dynamical board.
