All Mick Bogerman wanted to do was teach his little brother how to swim in the coolest swimming pool in town. He didn't ask to take care of a bunch of Sea-Monkeys while he was there. He certainly didn't mean to morph one of them into a mermaid by feeding it genetically enhanced super food. No one is more surprised than Mick when the creature starts luring unsuspecting adults into the deep end of the pool. Adults who don't resurface. Join Mick as he battles a powerful adversary: a bloodthirsty mermaid who hypnotizes with a golden gaze, shatters glass with a piercing shriek, and reveals her true menacing self by the light of a full moon.
