Smosaytia Ed Morawski

A far off planet is sending probes to study earth; they just aren't the type of probes we expected. These probes are in the form of beautiful women, designed to use sex as a tool to get what they want. One develops emotions and falls in love- with devastating results. This alien must make a sacrifice which will hopefully allow the survival of her lover but will destine them to be apart forever. A very sexy story of what it means to be a human and in love...
