Splinter (The Machinists Book 2) Craig Andrews

Allyn Kaplan, once a promising lawyer and now first in a new breed of magi, has dealt an improbable deathblow to a movement that sought to destroy his new Family and expose the magi existence to the world. But not without great cost. The McCollum Manor has fallen, the Family is on the verge of splintering, and the police, who believe Allyn is responsible for his sister's disappearance, are closing in.

Jaxon, the acting Grand Mage of the McCollum Family, struggles with Allyn to hold the Family together and stay ahead of the mounting investigation. But with the magi Forum unwilling to meet their request for aid, they're on their own, and only a desperate plan offers hope to reassert their Family's legitimacy and force the magi leadership into action.

Before they can act, a mysterious video appears online that can bring the investigation to their doorstep, pitting Allyn and Jaxon in a race against time to discover its origins before the police close in and their secret order is revealed.
