*Chaim Miller*

**Turning Judaism Outwards: A Biography of the Rebbe, Menachem Mendel Schneerson** Chaim Miller  
Rabbi Menachem Mendel Schneerson (1902-1994), the Lubavitcher Rebbe, took an insular Chasidic group that was almost decimated by the Holocaust and transformed it into one of the most influential and controversial forces in world Jewry. This superbly crafted biography draws on recently uncovered documents and archives of personal correspondence, painting an exceptionally human and charming portrait of a man who was well known but little understood. With a sharp attention to detail and an effortless style, Chaim Miller takes us on a soaring journey through the life, mind and struggles of one of the most interesting religious personalities of the Twentieth Century.

“Only truly great biographers have been able to accomplish what Chaim Miller has with this book... I am awed by his work, and am now even more awed than ever before by the Rebbe’s personality and prodigious accomplishments.” —*Rabbi Dr. Tzvi Hersh Weinreb, Executive Vice President Emeritus, Orthodox Union; Editor-in-Chief, Koren-Steinsaltz Talmud*

"A riveting biography.... this will prove to be a fascinating read even for those distant from Chabad or who knew little about this dominant figure in Jewish life." *Malcolm Hoenlein, Executive Vice Chairman, Conference of Presidents of Major American Jewish Organizations.*
