QUICKSAND: Forensic sculptor Eve Duncan is still reeling from the disappearance of her daughter, Bonnie. Deciding to take matters into her own hands, she enlists the clairvoyant skills of Dr. Megan Blair to help find her. No strangers to looking for clues where there seem to be none, the two women use their highly specialized talents to hunt down Bonnie's elusive kidnapper and return her to her mother's arms. But is Bonnie still alive? Will the two women find her in time? Iris Johansen strikes again with this non-stop, action packed thriller, keeping readers turning pages well into the night.

BLOOD GAME: Eve Duncan returns in a thriller that pits her against the most evil mind she has ever encountered: a ruthless killer who taunts her with his every move...and who has a special affinity for blood. When a Georgia senator's daughter is found murdered, and her body drained of blood, Eve Duncan is drawn into the web of Kevin Jelak? a serial murderer who is on Eve's short list of killers who might know something about her missing daughter Bonnie. When a goblet of blood is found in Eve's refrigerator, she knows the taunting is over...and the games have begun. As Eve and Jelak engage in a dance of death, Eve must call upon those she loves and trusts the most...even if it means bringing them into the game as well.

EIGHT DAYS TO LIVE: Eve Duncan and her adopted daughter, Jane Macguire, are pitted against the members of a secretive cult who have targeted Jane and have decided that she will be their ultimate sacrifice. In eight days they will come for her. In eight days, she will die. It all begins with a painting that Jane, an artist, displays in her Parisian gallery. The painting is called "Guilt" and Jane has no idea how or why she painted the portrait of the chilling face. But the members of a cult that dates back to the time of Christ believe that Jane's blasphemy means she must die. But first, she will lead them to an ancient treasure whose value is beyond price. This elusive treasure, and Jane's death, are all that they need for their power to come to ultimate fruition. With Eve's help, can Jane escape before the clock stops ticking?
