Here is a preview:

She reached down and tangled her fingers in Sheryl's hair. The woman moaned and licked more hungrily. Dee moved her mouth from Donna's breast and smiled at her. Donna smiled lazily back and Dee moved down, kissing over Donna's navel and then over Sheryl's head. She watched as Dee kissed her way down Sheryl's spine and felt a thrill when her mouth reached the cleft of her ass. Dee focused right at the beginning for a while, and then gradually moved lower. Since Sheryl's ass was in the air, the view was perfect, and Donna pulled Sheryl's head closer and pushed herself up. It was just so damned arousing to watch, to know that Sheryl was about to be licked by a woman for the very first time. She kept the pressure on Sheryl's head as she watched Dee's face finally disappear from view. The sudden moan against her clit told her Dee had found her target.

She kept one hand on Sheryl's head but lazily moved her other to the end table, where she found a cigarette still burning in an ashtray. She brought it to her lips and drew in smoke. She let it out slowly and returned her attention to Sheryl. She could see the Dee had moved underneath her. Her hands grasped Sheryl's ass as the younger girl moaned. By now, she wasn't really licking at Donna at all but just gasping, panting, and moaning against her pussy. Donna didn't mind. The sight of this girl being tormented by Dee's tongue was enough for her, and she knew she'd cum in just a moment. In fact, she was trying to hold off, trying to time her orgasm so it occurred simultaneously with Sheryl's.
