THE UNIFORMS: A terrifying encounter brings the shadows too close to Sarah Weber and Jake Riley as a normal day on the streets becomes something darker.

THE DETECTIVES: For Anthony Steele and Gerry Carter their new working relationship is almost as challenging as the cases they crack to shine a light into the murkiest depths of the Chicago underworld.

OCI: Jason Jones and Kimberley Mason of Chicago's Organised Crime Initiative will discover that the gangs they battle have started meddling in something that threatens to plunge the city into insanity and chaos.

The common thread? **THE SILENT MAJORITY.** Take an epic journey below the surface of the average cop thriller and find something far more twisted: the dark heart that beats within the Windy City. **THE SILENT MAJORITY** blends elements of the thriller with a new horror mythos that will take root in the darkest corners of your mind.
