Thought Vibration or the Law of Attraction in the Thought World

by William Walker Atkinson

In this New Thought classic, Atkinson looks at the law of attraction in the thought world. He points out the similarities between the law of gravitation and the mental law of attraction. He explains that thought vibrations are as real as those manifesting as light, heat, magnetism and electricity. The difference is in the vibratory rate which also explains the fact that thought vibrations cannot usually be perceived by our 5 senses.

Contents: Law of attraction in the thought world; Thought-waves and their power of reproduction; About the mind; Mind building; Secret of the will; How to become immune to injurious thought attraction; Transmutation of negative thought; Law of mental control; Asserting the life force; Training the habit mind; Psychology of the emotions; Developing new brain cells; Attractive power-desire force; Law, not chance.
