Cord SEAL Team Seven (Book 5) Jordan Silver

Cord is the silent type, at least to the outside world he is. But beneath his stern exterior and remote ways beats the heart of a true Dom. Even as his brothers were pairing off with the new women in their lives, he knew that wasn't for him. There's no way he'd ever find a woman in the quaint little town willing to put up with his needs.

And then she walked through the gates of his home and everything changed. Everything about her was wrong. She was too young, too inexperienced, too soft and petite, but so beautiful she took his breath away. Everything he wanted but could, should, never have.

Then she mouthed off at him and he said to hell with it; he was taking her at all cost. With the first words out of her mouth he was already plotting her complete and total domination.

The whole crew is back in this complete novel with one new addition. Meet Hank Mancini from Catch Me If You Can, Mancini's Way.
