## **In Pursuit of Their Dreams: A History of Azorean Immigration to the United States, 2nd Edition (Portuguese in the Americas)** Jerry R. Williams

Jerry Williams' history of Azorean immigration to the United States offers us valuable insight into the experience and culture of Portuguese immigrants and their descendents. This account fills a major gap in American immigration history and gives us a comprehensive overview of how Portuguese-Americans—now numbering close to a million people—have come to constitute a vibrant and highly visible presence within southeastern New England, the areas around San Francisco and San Diego, Hawaii, and the New Jersey/New York metropolitan area. Even though Azorean immigrants all came from similar cultural and social backgrounds, Williams shows how regionally specific opportunity structures and social hierarchies have contributed to significant differences within the Portuguese-American experience.

Starting with the whaling routes that first connected the mid-Atlantic archipelago with the ports of call in New England and California in the early 1800s, Williams lays out the complex relationship between the Azores and the US that has continued into the present. We learn how particular patterns of poverty, overpopulation and social inequality in the Azores pushed large numbers of the islands' inhabitants to leave their homes in search of better opportunities for themselves and their children. He tells the story of how the early whalers who jumped ship in New Bedford, San Francisco, or Hawaii were followed by kin and fellow villagers who had heard of plentiful jobs in New England's textile mills, gold and land in California, or agricultural work on Hawaiian plantations. Williams' account allows us to understand the importance of family and community connections throughout the immigrants' arduous transition from peasant life to industrial society.

Then you are experiencing problem with the book than can satisfy your short space of time to read it because all of this time you only find e-book that need more time to be go through. In Pursuit of Their Dreams: A History of Azorean Immigration to the United States, 2nd Edition (Portuguese in the Americas) can be your answer as it can be read by anyone who have those short extra time problems.

#### **Julia Hanson:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this In Pursuit of Their Dreams: A History of Azorean Immigration to the United States, 2nd Edition (Portuguese in the Americas) can make you experience more interested to read.

#### **Ann David:**
