Unmistakably French, the fifth book in Betty Lou Phillips' best-selling series on interpreting French decor for American homes, broadens yet again the limits of what French style can do for a home. No matter the location or size of the room to be decorated, the French rarely stray from favored and well-known characteristics of design-eighteenth-century furniture, sumptuous textiles, distinctive porcelains, and oil paintings in original carved-wood frames. In Phillips' newest book, she defines some of these specific secrets that French designers use to create an authentic French look-these certain basic decorating values they hold dear, seducing us with their self-assured approach to glamour, culture, and enduring respect for history. The book includes four sections: Passion for French, Art of Living, Savoir-Faire, and Fluent French. The style and settings seen in these contemporary homes, while American, are Unmistakably French! Betty Lou Phillips, ASID, is a renowned designer and the best-selling author of Provençal Interiors, French by Design, French Influences, and Villa Decor. She lives in Dallas, Texas.
