GREEK MYTHOLOGY: 26 Astonishing Stories on Greek Mythology, History of Ancient Gods, Zeus, Titans, Heroes and Myths of Greece

Have you always been fascinated by Ancient Greek History, Gods and Myths?

Do you want to find out how Hollywood, TV and comics all get their ideas?

If you have answered yes to any of the above questions then "GREEK MYTHOLOGY: 26 Astonishing Stories on Greek Mythology, History of Ancient Gods, Zeus, Titans, Heroes and Myths of Greece" is the book for you!

This book is the perfect choice if you want a simple reference and easy to understand guide to Greek Mythology.

The stories of Greek Mythology are some of the most famous tales of humankind, and have withstood the test of astounding amounts of time. Used to help explain the reasons for everything from the rising and setting of the sun, the seasons, good, evil, time, and other deep (and possibly unanswerable) questions, these stories have aided and inspired people throughout the ages.

The human mind will always wonder certain things, and human creativity will always invent ways to answer those yearnings. Before the dawn of scientific understanding, these stories provided answers. In times of trouble or turmoil, including illnesses or natural disasters, these tales have brought comfort.

The word "myth" is often used to describe something false, but there is so much more to the word than just that. A myth is something used to connect us with ourselves, the world, and others. Mythological tales are not only historical outdated stories. Rather, these stories are alive, ever-changing, and continue to exist today in a variety of forms. Mythology will exist forever, evolving along with us.

This book will explain the significance of the great tales of Greek mythology, why they existed and continue to exist, and why they should matter to us.

What Will I Learn In This Book?

Here are some of the topics you will learn about in this book!

- Greek Mythology Interpreted in Modern Day
- Zeus
- Prometheus
- Pandora
- Hercules (Heracles)
- Eros and Psyche
- Bonuses
- ..and much, much more!
