*When love is a gamble, Vegas is the best place to be when you roll the dice.*

## **Lucifer**

When you're born into one of the most powerful mafia families in Chicago, it's almost impossible to leave that life behind, but I thought I had done it. I had a new life in Vegas, filled with all the money and women a man could want. I was the king of my world.

But then the past caught up with me. An old debt had to be repaid, and the only way out of it was to either be married or engaged to be married. Finding a woman willing to play the part was easy. Remembering that this was all just make-believe was a lot harder than I expected it to be, but it could never be real. I had done things, evil things that she wouldn't understand.

## **Krista**

I was on the run from a dangerous past, looking to start over, definitely not looking for a relationship. I had way too much baggage for something like that.

And then a wild one-night stand turned into the offer of a lifetime – \$2000 to pretend to be his fiancée for a couple of days. It was a dream come true but it was a nightmare, too. I had seen the darkness within him. He lived up to his name and enjoyed dishing out punishment to those who had wronged him. What would he do to me if he discovered I was keeping something from him?

*Due to strong language and sexual content, this book is not intended for readers under the age of 18. No cliffhanger, no cheating, and a guaranteed HEA.*
