**Rise of the Hellion (Foxblood Trilogy Two) (Fosswell Chronicles Book 3)** Raquel Lyon

Something's stalking Sophie, and it's not just her boyfriend's cute cousin.

Sophie is settled in her new life. Things are going well. She's enjoying university life and her newly found independence. That is...until her mother's unwelcome arrival!

Her love life has certainly improved, but that has brought about its own complications. Her new boyfriend, Sebastian, is not human, and as if that weren't enough, his cousin, Connor, won't take no for an answer.

Sophie must decide which is stronger, her loyalty to Sebastian or her growing feelings for Connor.

And love is not Sophie's only battle.

Pulled from a life of obscurity and chosen to succeed a dying goddess, the girl who arrived in Fosswell is no longer visible. Along with her new power and appearance changes, Sophie now has to contend with unwanted night-time transformations.

The death count in Fosswell is mounting, and when someone she knows is found dead and someone she loves gets the blame, Sophie is determined to find out the truth.

Unfortunately, the truth is sometimes something we don't want to hear.

Continuing the story from *A Brush with the Moon*, *Rise of the Hellion* is the second book in the Young / New Adult fantasy trilogy, *Foxblood*.\*\*

Content may be unsuitable for those under 15.

\*\*Due to reader demand, this Trilogy is now part of the Fosswell Chronicles. It remains complete, but readers who enjoyed it can now continue to read more from the same world in *Dragonblood*.

#### **Eddie Drennan:**

Is it anyone who having spare time then spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Rise of the Hellion (Foxblood Trilogy Two) (Fosswell Chronicles Book 3) can be the solution, oh how comes? It's a book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

#### **Margaret Gray:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Rise of the Hellion (Foxblood Trilogy Two) (Fosswell Chronicles Book 3) can make you truly feel more interested to read.
