**Animals Are Not Ours (No, Really, They're Not): An Evangelical Animal Liberation Theology** Sarah Withrow King

Why should Christians care about animals? Is there a biblical basis for abstaining from eating animals? Is avoiding companies that use (and misuse) animals a viable way for Christians to better live out the message of God? In *Animals Are Not Ours*, Sarah Withrow King makes the argument that care for all of creation is no "far-fetched" idea that only radical people would consider, but rather a faithful witness of the peaceful kingdom God desires and Jesus modeled. This includes all living and breathing creatures that share this earth with us. King uses her decade-plus experience as a vegan, her seminary education, her evangelical Christian faith, and her years working with PETA to call Christians to examine how we treat and view the nonhuman animals with whom we share a finite planet.
