Apologia's Physical Science curriculum comes to life with this great tool. This product includes 588 pages of helpful and organized tools for improved retention of this challenging topic ~ You choose which pages to use. All "On Your Own" questions are together in a journal format, so the student doesn't have to re-write all of the questions. All "Study Guide" questions at the end of each module are represented by colorful booklets that each student cuts out and assembles within his or her notebook. Lab Reports are partially completed, with Supplies, Introduction, & Procedure portions completed and Observations, Diagrams, & Summary left blank for the student to fill out. There is also a section of blank Lab Reports in case your student prefers to fill in all of the information. We also have Vocabulary Words Flash Cards that coordinate with this product, and they are sold separately.

Use the coupon on the last page to download a free PDF version of the lapbook in order to print pages.
