Conscious Healing: Book One on the Regenetics Method (2nd Edition)

Sol Luckman

Conscious Healing: Book One on the Regenetics Method (2nd Edition) Sol Luckman

The classic, definitive book on DNA activation, CONSCIOUS HEALING, now updated and expanded with a wealth of empowering new information, is far more than the inspiring story of the development of a "revolutionary healing science" (NEXUS).

An unparalleled synthesis of modern and ancient healing wisdom, this leading-edge text is essential reading for anyone interested in alternative medicine, energy healing, consciousness research, quantum biology, human evolution, or personal enlightenment.

Sol Luckman's bestselling, reader-friendly narrative details his experience of chronic illness and miraculous recovery thanks to the Regenetics Method of DNA activation--offering a ray of hope to those who, like the author, have "tried everything."

In addition, CONSCIOUS HEALING provides scientific substantiation for the work of alternative healers from many orientations, clearly and convincingly making the case for energy work in general.

CONSCIOUS HEALING might "be the key that unlocks an entirely new way of being" (ODYSSEY Magazine, Editor's Choice Book).
