I Like Big Books and I Cannot Lie is not a reading textbook, it is a guide to help readers transform their ways of thinking about text. In straightforward, accessible language, Lori Oster discusses the most common habits successful readers share, and walks readers through steps anyone can take to make those habits their own. What started as basic handouts for Oster's students has evolved into a time-tested approach to helping high school and college students develop the reading skills they need to be successful both in the classroom, and out.
