# Song for the Wilds (The Wilds Duology Book 2)

*Emmi Lawrence*

**Song for the Wilds (The Wilds Duology Book 2)** Emmi Lawrence  
*A dogfight is rising.*

Despite leaving Caliebb behind months before, De'vii cannot forget him. His pack won't allow it. De'vii can't forget, yet he can't return, not without putting Caliebb at risk of being torn apart by De'vii's world simply because of who and what he is.

But the world of dogs and houndmasters is beginning to crumble. Wilds are encroaching onto civilized land. War hangs in the air, ready and waiting to fall. And De'vii stands in the center: not truly civilized, not entirely wild.

Far away, Caliebb is finally discovering his own strength, because for the first time in his life he has a reason to risk everything he's ever known. And he isn't about to let De'vii fight alone.

The exhilarating conclusion to *The Wilds Duology*.

Warning: This novel features men loving men, an obstinate wild dog and a drake with something to prove.
